

Directions To Our Studio

Hours: Monday - Friday 9 am to 5 pm By appointment only

We are located at 489 Old Fort Road
Rocky Mount, VA 24151

You may look up my address on mapquest.com or googlemaps.com if you like. If you do, please note that the location tag may be incorrect. Some of those maps show my location near the entrance to Old Fort Road. My studio is actually 1/2 mile past Lynch Park. Enter this address for the online maps...

489 Old Fort Road
Rocky Mount, VA 24151

If you are driving from the North of Rocky Mount on 220...

Take the Rt 40 exit. (The second Rocky Mount Exit)

At the stop light turn left. From here don't follow the Rt 40 signs but stay on this road. You will pass Franklin Co High School, then Hardees, travel up a hill and go through the downtown area past the Court House then the Hospital.

After you pass the hospital, at the bottom of the hill which is the next stop light, turn right on Scuffling Hill Rd.

Go approx 100 yards and turn left onto Old Fort Road

Go approx 1/2 mile to the end of the road

Take the only driveway on the left. Look at the mailbox and you will see Philpott Photography painted on the side. This way you know you are in the right place.

My studio is located in the lower level so drive around behind the house to the lower level. The entrance to the studio is down there and there is a parking area there as well.

If you are driving from the South of Rocky Mount on 220...

Take the first Rocky Mount exit which is right after the stop light on 220

This exit becomes S Main St or 220 Business North.

Travel approx 1.5 miles to the first stop light.

Turn left onto Scuffling Hill Rd

Go approx 100 yards and turn left onto Old Fort Road

Go approx 1/2 mile to the end of the road

Take the only driveway on the left. Look at the mailbox and you will see Philpott Photography painted on the side. This way you know you are in the right place.

My studio is located in the lower level so drive around behind the house to the lower level. The entrance to the studio is down there and there is a parking area there as well.

Directions from Bedford

Take 122 south to Rocky Mount

Turn right onto Rt 40

You will pass Walmart and then pass the 220 overpass.

From here don't follow the Rt 40 signs but stay on this road. You will pass Franklin Co High School, then Hardees, travel up a hill and go through the downtown area past the Court House then the Hospital.

After you pass the hospital, at the bottom of the hill which is the next stop light, turn right on Scuffling Hill Rd.

Go approx 100 yards and turn left onto Old Fort Road

Go approx 1/2 mile to the end of the road

Take the only driveway on the left. Look at the mailbox and you will see Philpott Photography painted on the side. This way you know you are in the right place.

My studio is located in the lower level so drive around behind the house to the lower level. The entrance to the studio is down there and there is a parking area there as well.

Directions from Gretna

Take Rt 40 to Rocky Mount.

You will pass Walmart and then pass the 220 overpass.

From here don't follow the Rt 40 signs but stay on this road. You will pass Franklin Co High School, then Hardees, travel up a hill and go through the downtown area past the Court House then the Hospital.

After you pass the hospital, at the bottom of the hill which is the next stop light, turn right on Scuffling Hill Rd.

Go approx 100 yards and turn left onto Old Fort Road

My studio is located in the lower level so drive around behind the house to the lower level. The entrance to the studio is down there and there is a parking area there as well.

Directions from Ferrum

When you get to the first stop light in Rocky Mount, turn right on to Scuffling Hill Rd.

When you pass the Catholic Church on the right, you will start to go down a long curvy hill.

You will take the next right which is near the bottom of the hill, past the pond, which is on your right. This road is Old Fort Rd.

Go approx 1/2 mile to the end of the road

Take the only driveway on the left. Look at the mailbox and you will see Philpott Photography painted on the side. This way you know you are in the right place.

My studio is located in the lower level so drive around behind the house to the lower level. The entrance to the studio is down there and there is a parking area there as well.
